David King Sees Success As Ezoic Influencer

David King started using Ezoic as a publisher in 2016. Impressed by the early results he had with the Ezoic platform, David began referring publishers within his personal network through the Ezoic Referral Program. When these publishers joined, David reaped the benefits.

David quickly realized that these referrals added up quickly. The referral revenue he generated resulted in over +\$23,000 in earnings in 2017.

How It Works

David and all Ezoic referral program members earn 3% of all revenue the referred publisher generates on the Ezoic Platform.

Members can make introductions via their Ezoic account manager, or can sign-up for the affiliate program and use their assigned Tapfilliate link to secure credit for any referral link sign-ups (affiliates.ezoic.com).
